THE MAGNOLIA GARDENS & NURSERIES

Charleston, South Carolina

RARE CAMELLIAS

AZALEAS

BROAD LEAF
EVERGREENS

Camellia - japonica - S. PETER NYCE

PLANTS FROM THE "WORLD'S MOST BEAUTIFUL GARDENS"

U. S. National Arboretum

We Are Members Of:

AMERICAN ASSOCIATION OF NURSERYMEN
SOUTHERN NURSERYMEN'S ASSOCIATION
SOUTH CAROLINA NURSERYMEN'S ASSOCIATION
AMERICAN CAMELLIA SOCIETY
SOUTH CAROLINA CAMELLIA SOCIETY

BUSINESS HOURS:

From January through April our retail nursery is open seven days a week from 7:30 a. m. until 5:00 p. m. During other months, we can serve customers Saturday afternoons and Sundays by appointment.

CRATING:

At Cost.

PAYMENT:

Cash with order except to those of known responsibility. All charge accounts due in 30 days from date of purchase.

SHIPMENTS:

Only bare root plants can be shipped by Parcel Post. Canned and Balled and Burlapped plants must go by Motor or Railway Express. A twenty-five per cent deposit is required on C.O.D. orders. In case of a damaged shipment, file your claim with the carrier as it is their responsibility.

GUARANTEE:

No nursery can guarantee plants to live. That is entirely up to the knowledge and skill of the purchaser.

CAMELLIA SLIDES:

We have two collections of camellia slides in full color, 100 slides per set. These will be rented to responsible groups at a charge of \$5.00.

BROADLEAFED EVERGREENS - *All Container Grown*

ABELIA GRANDIFLORA	Pinkish white flowers all summer.
ABELIA EDWARD GOUCHER	A rare form with pale lavender flowers.
AUCUBA JAPONICA	Glossy green leaves sprinkled with yellow. Will stand much shade. Solid green form also available.
GARDENIA MYSTERY	Large fragrant white flowers.
GARDENIA RADICANS	Dwarf growing type with small leaves and miniature flowers.
ILEX CORNUTA BURFORDI	A Holly with few or no spines. Large dark red berries.
ILEX CORNUTA (<i>Chinese Holly</i>)	Same as Burfordi except leaves usually have fine spines.
ILEX EAST PALATKA	A rapid growing Holly with practically spineless leaves. Red berries.
ILEX CRENATA BULLATA (<i>Convexa</i>)	Slow but compact grower with convex leaves. Desirable for hedge or low foundation planting.
ILEX CRENATA (<i>Rotundifolia</i>)	Roundish dark green leaves of compact growth, similar to Boxwood. Excellent for low hedge.
ILICIAM ANISATUM	Broad light green leaves. Emits an anise fragrance when bruised.
LIGUSTRUM LUCIDUM	Large dark green leaves. Excellent for screening.
MAGNOLIA GRANDIFLORA	Large dark glossy green foliage with huge white flowers in May and June.
MAGNOLIA FUSCATA (<i>Banana Shrub</i>)	Yellowish-white blooms with maroon edging. Pronounced banana-like fragrance.
NANDINA DOMESTICA (<i>Heavenly Bamboo</i>)	Bright red berries all Winter. White flowers in Spring. Red-tinged leaves.
OSMANTHUS FRAGRANS (<i>Sweet or Tea Olive</i>)	Small white flowers in clusters with wonderful fragrance. Blooms several times from September until Spring.
PHOTINIA GLABRA	Foliage dark red in Spring and Fall.
PITTOSPORUM TOBIRA	Compact growing shrub with dark green leaves. Fragrant white flowers in April. A good hedge plant.
X PYRACANTHA FORMASANA (<i>Firethorn</i>)	The best of the Pyracantha. Large red berries all Fall and Winter, clusters of white flowers in the Spring.
X VIRBURNUM TINUS	Compact shrub with small leaves and clusters of pinkish-white flowers during Winter months.

MISCELLANEOUS ITEMS

CALIFORNIA REDWOOD (<i>Sequoia Sempervirens</i>)	These magnificent trees are very much at home here in the South. One in the Garden here is three feet in diameter.
GORDONIA ALATAMAHA (<i>Franklinia</i>)	Rare native camellia relative. White fragrant blossoms from July until frost. Hardy to Massachusetts.
MAGNOLIA SOULANGEANA	An oriental magnolia with cup-shaped flowers, white suffused with pink.
